

NuClear News Volume 5.

Issue No. 47 to 57 Feb – Dec 2013

<u>Subject</u>	<u>Title</u>	<u>Story No.</u>	<u>NuClear News No.</u>
Abundance Generation	Community Energy	No.12	Issue No.53
ABWR	Hitachi sets out on long and winding road	No.8	Issue No.47
	Horizon Update	No.4	Issue No.50
	Hinkley might never be built	No.2	Issue No.51
	Generic Design Assessment	No.4	Issue No.52
	Nuclear regulation	No.6	Issue No.57
	NuGen and Horizon Updates	No.10	Issue No.57
Anaerobic Digestion	Green Gas	No.6	Issue No.52
	Community Energy	No.12	Issue No.53
AP1000	Generic Design Assessment	No.4	Issue No.52
	The Chinese are coming	No.3	Issue No.55
	NuGen and Horizon Updates	No.10	Issue No.57
Atherton, Peter	Crisis! What Crisis?	No.7	Issue No.50
	Analysts Flabbergasted by Hinkley deal	No.2	Issue No.56
Berkeley	Bringing yet more waste to the nuclear slum.	No.8	Issue No.48
	Move it, dilute it, disperse it – radwaste management UK-style	No.7	Issue No. 51
	Nuclear waste – move it, dilute it, disperse it.	No.11	Issue No.57
Biomass	Energy Scenarios 2020-2030	No.6	Issue No.48
Biofuels	Energy Scenarios 2020-2030	No.6	Issue No.48
Blyth, William Dr	Nuclear Subsidies	No.3	Issue No.50
	Nuclear subsidies could cost consumers up to £1 trillion	No.8	Issue No.51
Bradford, Peter	World Nuclear industry status	No.7	Issue No.53
Bradwell	The Chinese are coming	No.4	Issue No.56
	Nuclear waste – move it, dilute it, disperse it.	No.11	Issue No.57
Burke, Tom	The Liberal Democrats' Nuclear Tax Bombshell	No.3	Issue No.48
	Nuclear future hangs by a thread	No.1	Issue No.49
	Hinkley – a huge contribution to yesterday's energy	No.1	Issue No.56

	thinking		
	Nuclear subsidies, Europe and the English Dictionary	No.6	Issue No.56
CANDU	The crazy world of plutonium management	No.9	Issue No.50
Carbon Floor Price	Life extensions worth £44bn	No.9	Issue No.47
	Nuclear stealth tax will kill	No.3	Issue No.49
	Can Ed freeze prices and save the climate?	No.7	Issue No.55
	Energy efficiency in chaos	No.2	Issue No.57
Centrica	Subsidy blackmail continues	No.1	Issue No.47
China General Nuclear Power Group (See also Guangdong)	Hinkley strike price deal soon – maybe	No.1	Issue No.55
	The Chinese are coming	No.3	Issue No.55
	Hinkley Notes	No.3	Issue No.56
	The Chinese are coming	No.4	Issue No.56
Committee on Climate Change	Energy scenarios predict less nuclear	No.7	Issue No.47
	Decarbonisation Target	No.4	Issue No.48
	Where now for decarbonisation?	No.11	Issue No.51
	Offshore wind's potential	No.5	Issue No.53
	FoE's nuclear review	No.6	Issue No.54
	Energy costs crisis: Tories want to frack our way out	No.5	Issue Mo.55
	Renewable Notes	No.13	Issue No.55
	Small is beautiful	No.5	Issue No.56
Committee on Radioactive Waste Management (CoRWM)	Liberal Democrats Orwellian Newspeak	No.6	Issue No.55
	Review of the siting process for a Geological Disposal Facility consultation	No.11	Issue No.55
Community Energy	100% Renewables	No.7	Issue No.49
	Community Energy – an idea whose time has come	No.8	Issue No.50
	Community Energy	No.12	Issue No.53
	Local energy revolution?	No.8	Issue No.54
	Can Ed freeze prices and save the climate?	No.7	Issue No.55
	Small is beautiful	No.5	Issue No.56
	Community Energy	No.9	Issue No.57
Contract for Difference	Subsidy blackmail continues	No.1	Issue No.47
	Strike Price or Wrong Price	No.2	Issue No.47
	Subsidies break coalition agreement	No.3	Issue No.47
	End of the renaissance?	No.1	Issue No.48
	Time to call a subsidy a	No.2	Issue No.48

	subsidy		
	Nuclear future hangs by a thread	No.1	Issue No.49
	Guaranteed price negotiations drag on	No.2	Issue No.50
	Community Energy – an idea whose time has come	No.8	Issue No.50
	Hinkley might never be built	No.2	Issue No.51
	Strike Price negotiations drag on	No.3	Issue No.51
	Where is UK energy policy going?	No.1	Issue No.52
	Energy Subsidies	No.2	Issue No.52
	Nuclear negotiations drag on	No.2	Issue No.53
	Hinkley strike price deal soon – maybe	No.1	Issue No.55
	Hinkley – a huge contribution to yesterday’s energy thinking	No.1	Issue No.56
	Nuclear subsidies, Europe and the English Dictionary	No.6	Issue No.56
Cumbria Trust	Radioactive waste siting consultation	No.3	Issue No.57
Davenport, Juliet	Community Energy – an idea whose time has come	No.8	Issue No.50
Davey, Ed MP	The Liberal Democrats’ Nuclear Tax Bombshell	No.3	Issue No.48
	What’s wrong with the Lib Dems?	No.2	Issue No.49
	Nuclear negotiations drag on	No.2	Issue No.53
	Liberal Democrats attempt nuclear policy switch	No.1	Issue No.54
	The Lib Dems and Nuclear Waste	No.2	Issue No.54
	Fuel Poverty	No.6	Issue No.54
	Hinkley strike price deal soon – maybe	No.1	Issue No.55
	Energy costs crisis: Tories want to frack our way out	No.5	Issue Mo.55
	Liberal Democrats Orwellian Newspeak	No.6	Issue No.55
	Hinkley – a huge contribution to yesterday’s energy thinking	No.1	Issue No.56
	Energy Costs & Green Levies	No.7	Issue No.56
	Offshore wind in trouble?	No.8	Issue No.57
Decarbonisation	Decarbonisation Target	No.4	Issue No.48

	Crisis! What Crisis?	No.7	Issue No.50
	Where now for decarbonisation?	No.11	Issue No.51
	Where is UK energy policy going?	No.1	Issue No.52
Dong	Renewable Notes	No.14	Issue No.51
	Offshore wind's potential	No.5	Issue No.53
	Building an Offshore Wind manufacturing base	No.11	Issue No.54
	Offshore wind in trouble?	No.8	Issue No.57
Dounreay	Bringing yet more waste to the nuclear slum.	No.8	Issue No.48
	Sellafield Notes	No.12	Issue No.55
	Radioactive Particles	No.14	Issue No.55
	Nuclear regulation	No.6	Issue No.57
Dungeness	Dungeness Airport threat and tritium leaking for months	No.6	Issue No.50
	Nuclear waste – move it, dilute it, disperse it.	No.11	Issue No.57
Efficient Appliances	Energy costs analysed	No.4	Issue No.49
Electricity Market Reform	Crisis! What Crisis?	No.7	Issue No.50
	Energy Bill commits UK to eye-wateringly expensive nuclear future	No.1	Issue No.51
	Nuclear subsidies could cost consumers up to £1 trillion	No.8	Issue No.51
	Where is UK energy policy going?	No.1	Issue No.52
	Energy costs crisis: Tories want to frack our way out	No.5	Issue Mo.55
Emergency Planning	Weightman report recommendations	No.5	Issue No.50
	Emergency Planning	No.7	Issue No.52
	Emergency Planning	No.8	Issue No.53
Emissions Trading Scheme	Nuclear stealth tax will kill	No.3	Issue No.49
Energiewende	German Renewable Notes	No.10	Issue No.47
	100% Renewables	No.7	Issue No.49
	Community Energy – an idea whose time has come	No.8	Issue No.50
	Renewables & Jobs	No.9	Issue No.52
	Community Energy	No.12	Issue No.53
	Renewable Notes	No.13	Issue No.55
Energy Bill	Energy Bill commits UK to eye-wateringly expensive nuclear future	No.1	Issue No.51
	Where now for decarbonisation?	No.11	Issue No.51
Energy Bill Revolution	Will the lights go out in 2015?	No.5	Issue No.48
	Nuclear stealth tax will kill	No.3	Issue No.49

	Can Ed freeze prices and save the climate?	No.7	Issue No.55
	Where goes energy efficiency	No.1	Issue No.57
Energy and Climate Change Committee	Plan B	No.6	Issue No.49
Energy Company Obligation (ECO)	Can Ed freeze prices and save the climate?	No.7	Issue No.55
	ECO Chop?	No.8	Issue No.55
	Energy Costs & Green Levies	No.7	Issue No.56
	Where goes energy efficiency	No.1	Issue No.57
Energy Costs	Energy costs analysed	No.4	Issue No.49
	Energy Bill commits UK to eye-wateringly expensive nuclear future	No.1	Issue No.51
	Energy price war	No.4	Issue No.51
	Energy Costs	No.5	Issue No.52
	Energy Costs	No.4	Issue No.53
	Energy costs crisis: Tories want to frack our way out	No.5	Issue Mo.55
	ECO Chop?	No.8	Issue No.55
	Energy Bills	No.9	Issue No.55
	Hinkley Notes	No.3	Issue No.56
	Energy Costs & Green Levies	No.7	Issue No.56
	Where goes energy efficiency	No.1	Issue No.57
	Energy efficiency in chaos	No.2	Issue No.57
Energy Efficiency	Energy price war	No.4	Issue No.51
	Green Investment Bank	No.13	Issue No.51
	Where is UK energy policy going?	No.1	Issue No.52
	Can Ed freeze prices and save the climate?	No.7	Issue No.55
	ECO Chop?	No.8	Issue No.55
	Energy Costs & Green Levies	No.7	Issue No.56
	Where goes energy efficiency	No.1	Issue No.57
	Energy efficiency in chaos	No.2	Issue No.57
Energy Fair	Nuclear subsidies could cost consumers up to £1 trillion	No.8	Issue No.51
	Nuclear subsidies – no valid justification	No.5	Issue No.57
Energy Policy	Inside the coalition: the Tories and energy policy	No.4	Issue No.54
Energy Scenarios	Energy scenarios predict less nuclear	No.7	Issue No.47
	Energy Scenarios 2020-2030	No.6	Issue No.48
	Plan B	No.6	Issue No.49
	100% Renewables	No.7	Issue No.49

	Energy price war	No.4	Issue No.51
	Nuclear subsidies could cost consumers up to £1 trillion	No.8	Issue No.51
	Where is UK energy policy going?	No.1	Issue No.52
	Zero Carbon Britain: Rethinking the future	No.1	Issue No.53
	Offshore wind's potential	No.5	Issue No.53
	FoE's nuclear review	No.6	Issue No.54
	Where goes energy efficiency	No.1	Issue No.57
Energy Supplies	Will the lights go out in 2015?	No.5	Issue No.48
	Will the lights go out?	No.10	Issue No.53
Environmental Audit Committee	Nuclear subsidies, Europe and the English Dictionary	No.6	Issue No.56
	Nuclear subsidies – no valid justification	No.5	Issue No.57
EPR	Generic Design Assessment	No.4	Issue No.52
	The Chinese are coming	No.4	Issue No.56
European Competition Commissioner	End of the renaissance?	No.1	Issue No.48
	Nuclear future hangs by a thread	No.1	Issue No.49
	Guaranteed price negotiations drag on	No.2	Issue No.50
	Energy Subsidies	No.2	Issue No.52
	Europe & State Aid	No.3	Issue No.53
	European consultation on subsidies	No.3	Issue No.54
	Hinkley strike price deal soon – maybe	No.1	Issue No.55
	Europe and nuclear subsidies	No.2	Issue No.55
	Nuclear subsidies, Europe and the English Dictionary	No.6	Issue No.56
	Nuclear subsidies – no valid justification	No.5	Issue No.57
EU Stress Test	Weightman report recommendations	No.5	Issue No.50
Evaporator D	Sellafield: an extraordinary accumulation of hazardous waste	No.5	Issue No.47
	Sellafield – an intolerable risk	No.5	Issue No.49
	Sellafield: “an appalling waste of money”	No.9	Issue No.56
	Sellafield rising costs and delays	No.4	Issue No.57
Finance Bill 2011	Nuclear stealth tax will kill	No.3	Issue No.49
Flamanville	Nuclear negotiations drag on	No.2	Issue No.53

	Analysts Flabbergasted by Hinkley deal	No.2	Issue No.56
FoE Review	Liberal Democrats attempt nuclear policy switch	No.1	Issue No.54
	FoE's nuclear review	No.6	Issue No.54
Food Standards Agency	Radiation Monitoring	No.10	Issue No.51
Forqet, Dorte	Guaranteed price negotiations drag on	No.2	Issue No.50
Froggatt, Anthony	Guaranteed price negotiations drag on	No.2	Issue No.50
Fracking	Energy costs crisis: Tories want to frack our way out	No.5	Issue Mo.55
Friends of the Earth West Cumbria and North Lakes	Sellafield – an intolerable risk	No.5	Issue No.49
	Nuclear waste – where next after Cumbria	No.6	Issue No.51
Fuel Poverty	Will the lights go out in 2015?	No.5	Issue No.48
	Energy Bill commits UK to eye-wateringly expensive nuclear future	No.1	Issue No.51
	Energy price war	No.4	Issue No.51
	Energy Costs	No.5	Issue No.52
	Fuel Poverty	No.6	Issue No.54
	ECO Chop?	No.8	Issue No.55
	Energy Bills	No.9	Issue No.55
	Where goes energy efficiency	No.1	Issue No.57
	Energy efficiency in chaos	No.2	Issue No.57
Gas Strategy	Decarbonisation Target	No.4	Issue No.48
	Where is UK energy policy going?	No.1	Issue No.52
	Energy costs crisis: Tories want to frack our way out	No.5	Issue Mo.55
GE Hitachi	Nuclear nightmare set to continue	No.9	Issue No.49
	The crazy world of plutonium management	No.9	Issue No.50
	MoX Madness	No.11	Issue No.51
Generic Design Assessment (GDA)	Hitachi sets out on long and winding road	No.8	Issue No.47
	Horizon Update	No.4	Issue No.50
	Strike Price negotiations drag on	No.3	Issue No.51
	Generic Design Assessment	No.4	Issue No.52
	The Russians are coming	No.10	Issue No.54
	Nuclear regulation	No.6	Issue No.57
Generation IV reactors	Nuclear nightmare set to continue	No.9	Issue No.49
Geothermal Energy	Community Energy	No.9	Issue No.57
Germany	German Renewable Notes	No.10	Issue No.47
	100% Renewables	No.7	Issue No.49

	Community Energy – an idea whose time has come	No.8	Issue No.50
	Where is UK energy policy going?	No.1	Issue No.52
	Renewables & Jobs	No.9	Issue No.52
	Community Energy	No.12	Issue No.53
	Renewable Notes	No.13	Issue No.55
	Hinkley – a huge contribution to yesterday’s energy thinking	No.1	Issue No.56
	Small is beautiful	No.5	Issue No.56
Goodall, Chris	Strike Price negotiations drag on	No.3	Issue No.51
Green Deal	Will the lights go out in 2015?	No.5	Issue No.48
	Energy price war	No.4	Issue No.51
	Energy costs	No.4	Issue No.53
	Energy costs crisis: Tories want to frack our way out	No.5	Issue Mo.55
	Can Ed freeze prices and save the climate?	No.7	Issue No.55
	ECO Chop?	No.8	Issue No.55
	Where goes energy efficiency	No.1	Issue No.57
	Energy efficiency in chaos	No.2	Issue No.57
Green Gas	Energy Scenarios 2020-2030	No.6	Issue No.48
	Green Gas	No.6	Issue No.52
Green Investment Bank	Green Investment Bank	No.13	Issue No.51
	Green Gas	No.6	Issue No.52
	Energy costs crisis: Tories want to frack our way out	No.5	Issue Mo.55
Greenpeace legal action	Nuclear future hangs by a thread	No.1	Issue No.49
	Hinkley Notes	No.3	Issue No.56
Gross, Robert. Dr	Strike Price or Wrong Price	No.2	Issue No.47
Guangdong Nuclear Power Group	Subsidy blackmail continues	No.1	Issue No.47
	Moorside Update	No.8	Issue No.49
	Guaranteed price negotiations drag on	No.2	Issue No.50
Hall, Fiona. MEP	What’s wrong with the Lib Dems?	No.2	Issue No.49
	Liberal Democrats Orwellian Newspeak	No.6	Issue No.55
Haszeldine, Stuart. Prof	Nuclear waste – where next after Cumbria	No.6	Issue No.51
High Level Waste	Sellafield – an intolerable risk	No.5	Issue No.49
Hinkley Point A	Move it, dilute it, disperse it – radwaste management UK-style	No.7	Issue No. 51

Hinkley Point B	Life extensions worth £44bn	No.9	Issue No.47
Hinkley Point C	Subsidy blackmail continues	No.1	Issue No.47
	Strike Price or Wrong Price	No.2	Issue No.47
	Energy scenarios predict less nuclear	No.7	Issue No.47
	End of the renaissance?	No.1	Issue No.48
	Time to call a subsidy a subsidy	No.2	Issue No.48
	The Liberal Democrats' Nuclear Tax Bombshell	No.3	Issue No.48
	Nuclear future hangs by a thread	No.1	Issue No.49
